Dear Patriots,

We believe that the position of Department Historian to be a very important and worthwhile appointment.

Any article your chapter deems important enough for us to record should be sent to me without delay. It is my intention to record ~~your~~ offering in our department history book.

Our Department History Book will be available after we are gone. Future generations will certainly take pride in our accomplishments.

Each chapter has many projects that are noteworthy. Please participate and cooperate with us- and send us at least one of your outstanding efforts. Pictures, bulletins, brochures, typed and written reports on your chapter or personal War experiences are welcomed.

Yours truly,

Amelia Carafano

Jan. 25, 1998

Dear Fellow Patriots,

Yesterday our Department of Florida had an Executive Council Meeting. On the agenda that was prepared I as your Department Historian was given an opportunity to give a report on our progress. With my report, the members were given a look at the two albums. It was explained that one was for a copy of the chapters newsletter if they had one and space for 6 photos for each chapter to incorporate with any additional bulletins or brochures (Installation Agenda) etc. The second album is for any additional projects the Department or their members are involved in (Dedications, Revisit Korea, Presentations) etc.

Two Chapters who did not receive my original communication were sent a copy today. Several Chapter Presidents said they would be sending me photos.

Your support and continued cooperation is appreciated.

Please inform your chapter Historians of our endeavors.

Sincerely yours,

Amelia (Amy) Carafano

APRIL 11, 1998

Dear Fellow PATRIOTS and Ladies,

As your Department Historian I would like to thank the many Chapters who have sent me pictures. TODATE our HHistory Book is not complete because several chapters have not been able to send me any. Therefore we are reminding those chapters who have not sent me any photos, to be so kind as to bring them with you, to our next executive meeting.

Please take the opportunity to review our HHistory Book at our next meeting, you will surely be inspired by the photos and wonderful strides we are making.

Once again let me thank those Chapter Presidents and Chapter HHistorians for their kind cooperation in recording this years progress.

Yours truly,

Amelia Carafano

April 22, 1998

Dear Department President Shear,

May I take this opportunity to thank you for appointing me Department of Florida Historian. Both you and the members know that I will do my very best.

Most of our chapters have participated in our photo album project. Many of them have sent newsletters, they have been incorporated. Thanks to the Librarian of the Col. Alice Gritsavage, Mrs. Amelia Pfeiffer, who is an associate member of the chapter- a chronology of the Korean War was given to Mr. Bliss. He is the director of the Park Service in Washington D.C. that oversees the rangers at our Korean War National Monument. He sent her a very complimentary letter, which she in turn sent a copy to Chapter President Charles Carafano. A copy of her work is in our album.

There is still plenty of time before our Department convention for those who have been busy with chapter business to send me a few photos. On behalf of the Department I would like to thank those chapters who have cooperated, there will be one more letter sent out before our annual membership meeting. Hopefully by then we will have had 100% participation.

Historian's Report
Respectfully submitted,

Amelia Carafano

5 MAY 1998

Dear Fellow Patriots,

It has been a pleasure to serve you and our Department President as the Department Historian. As promised, this will be my final attempt to have each and every chapter represented in our department history book.

A HUGE THANK YOU to all the chapter presidents, historians, and members who have graciously sent in photos. Newly forming chapters and the few remaining have until our convention to get pictures in. Having started a chapter myself, I know all of the time and energy it takes. So at your earliest convenience please participate in this department project.

We sincerely hope that those members who looked at our photo albums before our Executive Council Mtg. enjoyed it.

The books will be available for everyone to see at the DEpartment Convention, and then turned over to the newly appointed Historian for the year 1998-1999,

Thanks for your past cooperation, and any effort you may put forth in the completion of this department project.

Yours truly,

Amelia (Amy) Carafano
K.W.V. Dept. Fla. Historian
